

**ADDENDUM NUMBER 1
ITB 16-BD-004 - CITY HALL ROOF
CITY OF EDGEWATER**

To All Plan Holders:

The following changes, clarification and additions are hereby made part of the **ITB 16-BD-004** for the above **CITY HALL ROOF** as fully and completely as if the same were fully set forth therein.

~~~~~  
**Additions/Changes**

Legal Notice – page 2 – 1<sup>st</sup> paragraph corrected to read “Notice is hereby given that the City of Edgewater is accepting Sealed Bids for the ~~construction of a Water Main under Interstate 95.~~ City Hall Roof project “

Footer of the document corrected to reflect the correct bid # - ITB 16-BD-004

~~~~~  
Clarifications

The selected Contractor will be responsible for obtaining all permits for this project. Per the Building Official, there will be no fee for City permits.

~~~~~  
**Questions and Answers**

**Q1. What is the cost estimate for this project?**

***A1. There is no established cost estimate for this project.***

**Q2. Is the city willing to accept alternate specs? We have John Manville & 2001 Company roof products that we generally use for our single ply roof system projects.**

***A2. The project MUST be bid per the specs included in the bid documents. An additional proposal using alternate specs may be submitted along with all backup documentation (project specifications). However, the selection will be made based on the lowest responsible bidder as specified in the bid document. The City reserves the right to negotiate alternate materials with the selected proposer.***

**Q3. What is the approximate Square Footage (either total or per Section)?**

***A3. It is the proposer's responsibility to measure the Square Footage of the project area.***

~~~~~  
Signature acknowledges receipt and understanding of this addendum.
